

# CO-OP PROJECTS AND REFURBISHMENTS

**DO YOU HAVE AN ACCOUNT WITH ABC DOORS?**

**DOES ABC DOORS HAVE AN ACCOUNT WITH YOU?**

To ensure refurbishment of Co-op stores runs as smooth as possible, please ensure you have an account set up with ABC Doors. Conversely, ABC Doors needs to be set up on your systems too.

If you don't have an account with ABC, you'll need to complete and return the [Account Application Form](#).

If ABC is not set up with an account in your system, please send the necessary documents, PPQs, application form, etc., to [coopproject@abcdoors.co.uk](mailto:coopproject@abcdoors.co.uk).

This will ensure you can place orders with ABC without delay and ABC can action your orders, also without delay. Help us help you!
